### **Financial Policy**

Thank you for choosing us as your dental health care provider. We believe that all patients deserve the very best dental care we can provide. We also believe that everyone benefits when specific financial arrangements are agreed upon. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our Financial Policy which we require that you read and sign prior to any treatment. All patients must complete our information and insurance forms before seeing the doctor.

Full payment is due at time of service. We accept cash, checks, Visa, Mastercard, Discover, American Express credit cards, and debit cards.

#### **Regarding Insurance**

We request that any co-payments, deductibles, and any services not covered by your insurance plan be paid at the time the service is provided. The balance is your responsibility whether your insurance company pays or not. We cannot bill your insurance unless you bring in all insurance information at your initial visit. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. If your insurance company has not paid your account in full within 45 days, the balance will be automatically transferred to your account. Please be aware some and possibly all of the services provided may be non-covered services and not considered reasonable, usual, and customary under the terms of your dental and/or medical policy.

#### **Adult Patients**

Adult patients are responsible for full payment at the time of service. If you are unable to pay at this time, be sure to point this out when you arrive for you appointment.

#### **Minor Patients**

The adult accompanying a minor and/or the parents (or guardians) are responsible for full payment at the time of service. For unaccompanied minors, non-emergency treatment will be denied unless charges have been pre-authorized to a credit card or payment by cash or check at time of service has been verified.

#### Billing

All accounts which have not paid the estimated portion of their bill at the time of service will incur a \$3.00 billing charge each month until the balance is paid. Balances which are 60 days old or older will incur a monthly 1.5% finance charge with equals an 18% per annum rate. There is also a \$30 returned check fee.

#### Refunds

Refunds for overpayment will be sent after all treatment is completed and insurance has been collected.

#### **Collections**

Any account that has not received payment in 60 days will be handed over to a collection agency that will pursue the responsible party for reimbursement. This will negatively impact your credit history and limit the treatment you can receive at our office.

Thank you for understanding our financial policy. Please let us know if you have any questions or concerns. We look forward to providing the highest quality dental care in a relaxing and caring atmosphere.

# Late Cancellation or No Show Guidelines

We make every effort to give patients appointments which fit their schedules as well as our own. We call, text, and email patients whenever possible to confirm their appointments. Most businesses that deal with reserved appointments charge a fee equal to lost revenue for an appointment not cancelled within 48 hours in advance. However, our office cancellation fees are minimal and only intended as a courtesy for our professionals' time dedicated in our field. **Our office fee for a missed appointment with the hygienist is \$50.00 per hour booked and \$100.00 per hour booked for a missed visit with the Doctor.** We hope that patients keep their appointments as these fees do not offset our losses when a patient does not keep an appointment.

Our office is closed on Fridays and we ask that if you need to cancel a Monday appointment, please do so by the previous Thursday. No one likes to pay for a Doctor's or hygienist's time when no service has been provided. But by informing us of your cancellation, within 48 hours, you'll be giving a chance to those individuals who are truly in need of seeking dental care.

By signing below, I am acknowledging that I have read and understand this office policy.
